The Sisters operate the HIV/AIDS Orphanage and Clinic in Kitui and Kitale in Kenya, Africa.

The donation requested per loaf of Bread is \$5.00;
however, any donation of three dollars or more will be accepted.

The funds raised, after the cost of the bread, are sent directly to educational and clinical treatment programs sponsored by the Poor Servants of the Mother of God Community of Religious Sisters (S.M.G.). Please consider sponsoring this noteworthy ministry by preparing to buy one or more loaves of bread. Your generosity always brings the gift of HOPE and LIFE to the children who are most in need.

evangelization that has spread across our
diocese.

CELEBRATE NATIONAL MARRIAGE WEEK 2018

National Marriage Week (Feb. 7-14) is a great opportunity “to focus on building a culture of life and love that begins with supporting and promoting marriage and the family” says Archbishop Charles Chaput, OFM Cap., Chairman of the USCCB Committee on Laity, Marriage, Family and Youth in his letter to all U.S. bishops.

The annual observance of National Marriage Week in the United States encourages a conversation on how strong marriages promote and sustain strong societies by curtailing poverty and benefiting children.

Celebrate the beauty and sanctity of marriage with *Humanae Vitae* (1968-2018):

- Married love particularly reveals its true nature and nobility when we realize that it takes its origin from God, who “is love” (no. 8).
- “Marriage . . . [is] ordained toward the procreation and education of children. Children are really the supreme gift of marriage and contribute in the highest degree to their parents’ welfare” (no. 9; GS, no. 50).
- “The fundamental nature of the marriage act, . . . renders [husband and wife] capable of generating new life—and this as a result of laws written into the actual nature of man and of woman” (no. 12).

Marriage Benefits Everyone . . .

Economically: Married men and women have more wealth and financial stability.

Personally: Men and women in a stable marriage live longer lives and have better health and greater personal happiness.

For Children: Children who are raised by a married mother and father perform better in school and have less trouble with the law, teen pregnancy, and addiction.

Parishioner Membership Database

It is that time of the year to update the Sacred Heart Membership database. This process is important to assure our membership count is current and to minimize mailing expenses of parish envelope packages. Therefore, anyone who has not used their envelopes in a year or more will have their status changed to "inactive" and will no longer receive envelopes. If at any time you want to change to an active registered member and receive envelopes again, please contact the rectory. In addition, any new members wanting to register and receive tithing envelopes should complete a new member card (given by ushers) or contact the rectory for their temporary envelope packages. Thank you for your continued support.
